

REMARKS

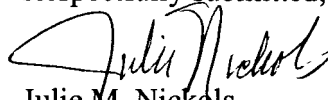

In the Office Action dated March 12, 2007, claims 4-7, 9-30, and 40-45 were allowed. Claims 1-3, 8, and 31-39 have been cancelled. In view of the amendments above and the remarks that follow, Applicants believe that this application is now in condition to receive a formal notice of allowance.

On October 1, 2004, a Request to Correct Inventorship was filed to add Yang Wook Son as an inventor for this application. Although the Office Action dated March 12, 2007 indicated a deficiency in the petition, a subsequent telephone interview held on April 3, 2007 with Examiner Snow resulted in agreement that the petition, as filed, was acceptable. We are requesting that an Acceptance of Petition and Corrected Filing Receipt be issued with the formal notice of allowance.

The Examiner is invited to phone the Applicant's representative at the number listed below to resolve any open issues which the Examiner has identified.

No fees, including extension of time fees, are believed necessary for consideration of the present paper. However, if any fees, including extension of time fees, are necessary, the extension of time is hereby requested, and the Commissioner is hereby authorized to charge any fees, including those for the extension of time, to Haynes and Boone, LLP's Deposit Account No. 08-1394.

Respectfully submitted,
